School Uniform Policy

Overview

Both staff and pupil wellbeing have been considered in the review of this policy.

The governing body and teaching staff have established this dress code in order to make clear our expectations in maintaining high standards at Hilderthorpe Primary School.

We hope that parents/carers will cooperate with us in promoting our school identity by ensuring that their child conforms to our recommended dress code.

We will respect variations to our uniform if they are directly related to established religious or cultural traditions. However, any variations will be dealt with on an individual basis and judgements remain at the discretion of the Headteacher and governing body.

Children should arrive in clothing that is clean, tidy, safe and suitable to the school environment and conforms to the school dress code.

- Children's hair should be fully tied back each day for all PE activities.
- Any earrings other than studs are not permitted and should not be worn on PE days.
