Dear Parent/carer,

## Invitation to our e-safety lesson – Monday 25<sup>th</sup> SEPTEMBER 2023 9:15am

We would like to invite you to our e-safety lesson on Monday 25<sup>th</sup> September at 9:15am. Our lesson is about 'My media choices,' exploring the amazing possibilities that come with using technology. We all make choices every day about the media we consume and create, but do children understand what makes a media choice healthy or not? They'll also learn from the Digital Citizens (everyone who uses the Internet) who take a pledge to be safe, responsible and respectful when travelling through the online world.

We will be inviting you each half term to our e-safety lessons which will cover different topics, such as who we talk and interact with on the internet, keeping information private to protect our identity and how to deal with online meanness. It will be an opportunity for you and your child to discuss where they go online and what they might see and interact with throughout the year.

If you would like to come, please come to our school Reception and you will be directed to your child's classroom. We look forward to seeing you.

Yours sincerely

Mrs Tabor and Mrs Wood
