World Book Day 2024 Information

Dear Parent/carer,

We are looking forward to celebrating World Book Day this year with a variety of activities running throughout the week, as well as competitions taking place leading up to the day. Our theme this year will be 'Our Earth,' in which children will be reading a variety of stories based on the theme of protecting our environment. We will be joined by guest authors throughout the week and will take part in activities to share our love of reading.

Competitions

There will be three competitions for the children to work on at home, as well as some running within school. Please see the attached poster for information on the competitions that the children can work on at home and bring into school or email to hilderthorpeprimary@eastriding.gov.uk. Please ensure that entries are submitted no later than **Monday 4th March**.

World Book Day - Book Swap, Bake Sale and Non-Uniform

On **Thursday 7th March**, World Book Day will take place and children are invited to wear either a costume of their choice relating to a book or their comfy pyjamas to relax and read in.

At the end of the school day, we will be holding a book swap and bake sale. This will run from **3:20 - 4:15pm**. Please ensure that children do not bring the money in during the school day, as this will run after school only. The children are welcome to bring an unwanted book from home to swap with another book of their choice.

If you are able to donate any unwanted books that are in good condition and any baked goods, please bring them to school during the week or on the day of the event. **All baked goods must be nut-free**. The proceeds of this event will go towards improvements in our library.

We are looking forward to this very exciting part of our school year.

Yours sincerely,
Mrs Hammond-Reid
