Dear Parent/Carer,

Safer Internet use - Parent Information meeting

Safer Internet Day is the 11th February this year, this is an opportunity to raise awareness of online safety. We will be planning events in school that raise the awareness of safety online with the children.

We will also be holding our annual parent presentation on safer internet use on **Thursday 13th February at 9am**. The digital world is developing quickly and our aim is to support families to keep our children as safe as possible whilst allowing them to enjoy using the internet. This is an opportunity to look at how our children are using the internet and how we minimise the risk of them accessing material that is inappropriate.

This year the workshop will focus on Youtube, Snapchat, WhatsApp and TikTok. This will be an opportunity to have a look at the functions of each app and how we can keep our children safe when using them.

Please join us for a coffee, a biscuit and a chat about keeping our children safe.

Yours faithfully,

Mrs J Grant
