

GENERAL

Welcome to the final Y4 newsletter to keep you informed about what your child will be learning this half term.

We hope that you will find it useful.

If you have any queries, please come and have a chat with your child's class teacher - Mrs.

Tabor or Mrs. Wood

MATHS - We will be continuing with our Maths No Problem scheme. We will be working on geometry, position and movement and Roman Numerals. We will finish the year developing our problem solving skills.

ICT - We will be learning about different ways to present information and adding in images.

HISTORY - Children will study the **VIKINGS** and their impact. They will learn about where they came from and why, Viking life, their towns and longboats.

DT- Children will explore torches, looking at how they work and designing and creating their own torch.

SCIENCE- We will be looking at the topic of '**Animal Classification**'. It will include exploring the jubilee garden for different creatures.

FRENCH - The children will continue their work on Le Carnaval des Animaux. They will practise building sentences to describe an animal's habitat. They will also be learning how to tell the time on the hour in French.
