

Each half term we will send a newsletter detailing what we will be covering in the curriculum and any other important information. If you would like further details, please speak to your child's class teacher.

PE

Children need to come into school wearing their school PE kit on a Tuesdays and Wednesdays.

In PE, we will be covering Athletics to help prepare the children for Sports Day later in the Summer term. In Games, we will be covering Cricket.

French

During this half-term, pupils will explore sports and the Olympics, learning to accurately pronounce sport names, use 'jouer' and 'faire' correctly, construct sentences with both verbs, express opinions, identify French country names, and use 'aller' effectively.

Maths

This half term, we will be covering work on Roman Numerals, before spending time re-visiting the four operations. Finally, we will spend time applying our learning to a range of word based problems.

Music

Music will be taught by Mrs Gray this half term on Tuesdays, In music this term, children will explore rhythm by building a beat in Samba, celebrating the vibrant culture of Brazil.

Year 5 Summer Term 2

Jigsaw

This unit is called 'Changing Me.' Children will be looking at body image, puberty in boys and girls and conception.

English

This half term, we will be writing a narrative poem based on The Highwayman by Alfred Noyes. We will also be writing a narrative story based on the book Who Let The Gods Out by Maz Evans.

In Guided Reading, we will be reading Percy Jackson and The Lightning Thief by Rick Riordan.

Topic (History)

This term, the children will embark on an engaging journey exploring the Romans, delving into their fascinating culture and innovations. They will discover how Roman architecture, roads, and legal systems have significantly shaped our modern society.

Science

This term, children will study the human life cycle. They will learn about the various stages, including infancy, childhood, adolescence, and adulthood, focusing on key developments such as growth patterns and the basics of human reproduction.

Religious Education

We will continue our unit of work on Pilgrimage. We will look at Islam, Christianity and Judaism and compare to special journeys we may take ourselves.

D&T and Computing

In Art, we will be creating portraits taking inspiration from famous artists such as Chila Kumari Singh Burman, Njideka Akunyili Crosby, Vincent van Gogh, Frida Kahlo and Maggie Scott.

Computing is based around coding to create our own playable games and our e-safety lesson is about reading news online.
